Just one last kiss
Before I walk out the door
I'm gonna hold you tighter
Than I ever did before

And I, I never promised you The things you promised me And I, I can't justify The way it's gotta be

And the good times are the best times The bad times fade away The good times are forever But now, baby, the last time is today

Just one more night
There's no time for anymore
I'm gonna tell you something
That you've never heard before

But I, I can't find the words
To ease your lovers pain
And I, I know the feeling's gone
I can feel it in my veins

One last kiss One last kiss
