

# All Over Me

The Jacka

Come on and let me see you back it up  
I wanna feel that pretty round thang  
Shorty all over me  
All I really want is Shorty all over me  
All I really need is Shorty all over me  
Now grind lil mama move your hips like this  
Go ahead shorty get it, just get it all over me  
All I really want is Shorty all over me  
All I really need is Shorty all over me

No cologne just kush and patron on me  
All morning long niggas high, sippin lean  
I be so on when I get my nose clean  
Everywhere I go girl girlies scream my name  
Yeah lil mamma what you feedin that thang?  
In the bay we like damn without Dre, it ain't the same  
But we keep it lit  
On the dance floor with a hoe and she stupid thick  
Oh you say you on, okay let me see you do that shit  
They call me the j-kay the one who never play games  
You know I'm in the game but they ain't how we play  
I'm a real nigga, with this rap shit locked  
So you comin with me, 'cause you know it don't stop

Now back it up  
Come on and let me see you back it up  
I wanna feel that pretty round thang  
Shorty all over me  
All I really want is Shorty all over me  
All I really need is Shorty all over me  
Now grind lil mama move your hips like this  
Go ahead shorty get it, just get it all over me  
All I really want is Shorty all over me  
All I really need is Shorty all over me

That's not a gun in my pocket, I'm just happy to see you  
When niggas say interview jack, that never could be true  
Got that type of swag that you never could redo  
Yank em to the party all you see is paint drippin  
Girls say they know me but I never could remember  
Got so many one me but I'm focused on a thick one  
Bout to go get her, rock star life forever  
In the club stuie, big bottle of louie  
Tryna dip with a model, out here fuckin with it truly  
Got the place poppin, now that I walked in  
Girl tryna put it on me, I'm like alright then  
Give it to me, then pursue me, cause they all like him

Now baby back it up  
Come on and let me see you back it up  
I wanna feel that pretty round thang  
Shorty all over me  
All I really want is Shorty all over me  
All I really need is Shorty all over me  
Now grind lil mama move your hips like this  
Go ahead shorty get it, just get it all over me  
All I really want is Shorty all over me

All I really need is Shorty all over me

Is that your girlfriend? She all on me  
Better take her home before she go on with a G  
Got her in the corner goin dumb to the beat  
All the little chicks can't keep they hands out my jeans  
Listen I'm the jack, n all my patnas real Gs  
Baby do this shit, slap it in reverse  
Wind them hips, I know you feel that dick  
Let me calm down, I'm a sound so ridiculous  
Comin out your speakers, you get weaker as you hear this shit  
Let me be your teacher, I'll reach you, I'll show you this  
Push that ass out, baby get it all over this  
Plus I'm on water, I think a nigga had too much to drink  
And it's two o'clock, I'm tryna get it all over with

Baby back it up  
Come on and let me see you back it up  
I wanna feel that pretty round thang  
Shorty all over me  
All I really want is Shorty all over me  
All I really need is Shorty all over me  
Now grind lil mama move your hips like this  
Go ahead shorty get it, just get it all over me  
All I really want is Shorty all over me  
All I really need is Shorty all over me
