

# Can I See You In The Morning

The Jackson 5

Can I see you (can I see you)  
In the morning (in the morning)

Can I see you (can I see you)  
In the morning (in the morning)

Can I see you in the morning  
Like I see you late tonight  
Come and hold me  
Come and hold me

Come and make me feel alright  
In the morning  
Can I see you in the morning

Can I see you in the morning  
Once I get down on my knees  
Come and take me  
Come and take me  
Do with me just what you please  
Just a short walk in the sunshine  
In the open side by side

Chance to hold you  
Chance to hold you  
Chance to hold my head up high  
In the morning

They say you're too old for me  
But I know ya said that ya'll wait for me, wait for me

Can I see you in the morning sun  
Shining down

I wanna see you  
I wanna see you

Can I see you in the morning sun  
Shining down

Can I see you  
Can I see you

In the morning  
Can I see you  
In the morning  
In the morning  
Can I see you  
In the morning  
Can I see you  
In the morning
