

# Cupid

The Jackson 5

Hey, Cupid  
Draw back your bow and let her have it in her heart  
Oh, Cupid  
Draw back your bow and let her have it in her heart

I must confess there is no happiness  
When you lack someone  
But there's spice and light  
And this love made you alright  
My heart is filling up with love

Oh, Cupid  
Draw back your bow and let her have it in her heart  
Yeah, yeah, yeah  
Oh, Cupid  
Draw back your bow and let her have it in her heart  
(In her heart)

Cupid don't miss let her know I exist  
Pull out your magic bow  
When your arrow hits  
Then she just can't resist in love with me  
She'll fall  
She's gotta fall

Oh, Cupid, babe  
Draw back your bow and let her have it in her heart  
(In her heart)  
Oh, Cupid  
Draw back your bow and let her have it in her heart  
(In her heart)

Aim it (aim it), aim it (aim it)  
Shoot it (shoot it) in her heart

Cupid  
Draw back your bow and let her have it in her heart  
(In her heart)  
Oh, Cupid, babe  
Draw back your bow and let her have it in her heart  
(In her heart)

Shoot it, shoot it, shoot it, shoot it, shoot it  
Shoot it, shoot it, shoot it, shoot it, shoot it

Aim it (aim it), aim it (aim it)  
Shoot it (shoot it) in her heart

Cupid  
Draw back your bow and let her have it in her heart  
(In her heart)  
Cupid  
Draw back your bow and let her have it in her heart  
(Shoot it in her heart)

Aim it (aim it), aim it (aim it)  
Shoot it (shoot it) in her heart....
