

Hum Along and Dance

The Jackson 5

Get, get, get, get, get, get, get, get down
Let's get down, down, down, down, down

Ain't no words to this song.
You just dance an hum along.
Ain't no words to this song.
You just dance and hum along.

Now Dance
Let's get down, down, down, down, down
Let's get down, down, down, down, down
Let's get down, down, down, down, down

Let's get down, down, down, down, down
Let's get down, down, down, down, down

Ain't no words to this song
You just dance and hum along
Say ain't no words to this song
You see, we didn't have time to write none

Oh now, lemme see again (Get get get...)
Come on, talk me
Oh, get

Ain't no words to this song
(Ain't no words, ain't no words, what's on me)
(I got see, if a have time, right now)
Say ain't no words to this song
(What we wanna do)
You just dance and hum along
(Soul sister, get it)
(Come on, y'all, let's hum some)

Let's get down, down, down, down, down
Let's get down, down, down, down, down
Let's get down, down, down, down, down
Let's get down, down, down, down, down
Let's...
