

I Got A Sure Thing

The Jackson 5

A man can't do no more than a woman'll let him
She won't make a mistake but she ain't sure not regret them
A woman will stick by you through thick and thin
And with a woman like this I know I've got to win
I know, I got a sure thing (honey I know)
I got a sure thing
I know, I got a sure thing
I got a sure thing with my baby
Now listen to me.
Me and my baby have been together through all kind of weather
I don't care what happens we'll always be together
When I see her talking with some fella out on the street
I know when the conversation is over she's coming straight home with me
I know, I got a sure thing (honey I know)
I got a sure thing
I know, I got a sure thing
I got a sure thing with my baby
Now listen to this, too.
I go to work in the morning with a satisfied mind
Don't have to worry about the woman I left behind
When I come home in the evening, my aching back should stop
My dinner's on the table, my water's in the tub.
I know, I got a sure thing (honey I know)
I got a sure thing
I know, I got a sure thing
I got a sure thing with my baby
I know, I got a sure thing (honey I know)
I got a sure thing
I know, I got a sure thing

I got a sure thing with my baby
