

Mama Told Me Not to Come

The Jackson 5

Have some whiskey in the water, have some sugar in your tea
What's all these crazy questions they're asking of me?
This is the craziest party that could ever be
Don't turn on the lights, 'cause I don't want to see

Mama told me not to come (my mama told me not to come)
Mama told me not to come (my mama, mama, told me not to come)
She said, "that ain't no way to have fun, son"

Open up this window, let some air into this room
I think I'm almost choking from the smell of stale perfume
Well, that cigarette you're smoking about to scare me half to death
Open up the window, sucka' so I can catch my breath.

Mama told me not to come (my mama told me not to come)
Mama told me not to come (my mama told me not to come)
She said, "that ain't no way to have fun, son"

Mama told me (mama yelling)
Mama told me (mama yelling)

(But mama, but mama, let me explain!)
(Anything, anything but the whip!)

The radio was blasting someone's knocking at the door
I'm looking at my girlfriend she's passed out on the floor
I seen so many things there, I ain't never seen before
Please don't tell me what it is (I don't want to see no more)

Mama told me not to come (my mama told me not to come)
Mama told me not to come (my mama told me not to come)
She said, "that ain't no way to have fun, son"

Got to leave this place

Oh, man, come on, stay. (No man, we gotta go)
Yea, we gotta leave (No, man. I got the keys here alright? You can't go nowhere)
Hey man, I gotta go, man, it's past my bedtime (what you doin' there, kid?)
I'm opening the door (Come on man, I don't want to miss the Flintstones)
I'm gonna take your sorry problem go home, boy (why don't you stay ... 40 seconds ... Na, na. See that's what I'm talking about)

Mama told me, mama told me, mama, mama, mama not to come

Mama told me not to come (See that's what I'm talking about. I'm gonna stay)

Mama told me not to come
