

## Reach In

The Jackson 5

Can't find no rhyme to it all  
But still we keep on trying  
The why and where of it all  
Inside you the answer is lying

Reach in (reach in)  
Find that tree of wisdom  
Reach in (reach in)  
Find out why you're livin'

Reach in (reach in)  
Put away that shade of sin  
And let love shine in...  
And let love shine in...  
Shine, shine, shine, shine...

Don't take the easy way out  
Believe there is a Maker  
Don't be a body of doubt  
In whom does live a faker

Reach in (reach in)  
Find that tree of wisdom  
Reach in (reach in)  
Find out why you're livin'

Reach in (reach in)  
Put away that shade of sin  
And let love shine in...  
And let love shine in...

A soul without love  
Is a soul without meaning  
And the Lord up above  
He'll destroy every being

Reach in...

Reach in (reach in)  
Find that tree of wisdom  
Reach in (reach in)  
Find out why you're livin'
