

# Touch

The Jackson 5

Reach out and touch  
Reach out and touch

Darlin' just relax  
You melt me like hot candle wax  
One touch and my whole body melts  
You just say, you say you can't express yourself

Oh, just keep doin' what you're doin'  
Fancy words will only ruin it  
Touch (touch me)  
That very special touch  
If I satisfy you (if I satisfy you)  
How can you satisfy me baby

Don't you worry baby why  
You see these tears of love in my eyes  
I feel this love flowin' through  
Like a river girl straight through me to you

Your touch mean than words  
Than any language ever heard  
Touch (touch me)  
That very special touch  
Every brand new day (every brand new day)  
I wake up wanting you the same ole way

Reach out and touch (touch me)  
That very special touch  
Yeah touch (touch me, touch me, touch me)  
That very, very special touch baby  
If I satisfy you (if I satisfy you)  
How can you satisfy me

Reach out and touch (touch me, touch me)  
That very special touch  
(touch me, touch me)  
Touch that very special touch (touch me, touch me)  
Yeah, if I satisfy you (if I satisfy you)  
How you satisfy me

Reach out and touch (touch me, touch me)  
That very special touch  
(touch me, touch me)  
Touch that very special touch (touch me, touch me)  
Yeah, if I satisfy you (if I satisfy you)  
How you satisfy me
