

Would Ya Would Ya Baby

The Jackson 5

All the guys get their eyes on you
If I blink would you sneak a look
Would ya if you could
Rumor has it you won't be true
You break every rule in the book
Would ya if you could

Would you make me cry
Would you say goodbye
Would you make me cry

Would ya would ya baby (oh would ya)
Would ya would ya baby
(Would ya would ya baby, yeah)

If you could would you pull those strings
Like a puppet and make me dance
Would ya if you could
Could it be that you're using me, yeah
Would you girl if you had a chance
Would ya if you could

Would you make me cry
Would you say goodbye
Would you make me cry

Would ya would ya baby
(Would ya would ya baby, yeah)
Oh tell me, tell me, tell me, tell me baby
Would ya, would ya baby
(Would ya would ya baby, yeah, yeah)

If you knew you could change my life
If you could change it from bad to good
Would ya if you could
If you knew you could make things right (yeah)
Oh yeah
Understand and be understood
Would ya if you could

Would ya want to try
Would ya do me right
Would ya want to try

Would ya would ya baby
(Would ya, would ya baby)
Would ya would ya baby
(Would ya, would ya baby, yeah)
Would ya would ya baby, yeah

(Would you make me cry)
Would ya, would ya baby
(Would ya say goodbye, yeah yeah)
Would ya, would ya baby
(Would ya, would ya, would ya do me right)
Would ya, would ya baby
(Baby, baby, would ya want to try)

Would ya, would ya baby

Would ya want to try

Would ya do me right

Would ya want to try

Would ya, would ya baby

(Would ya would ya baby, yeah)

Oh tell me, tell me, tell me, tell me baby

(Would ya, would ya baby)

(Would ya would ya baby, yeah, yeah)

Would ya want to try

Would ya do me right

Would ya want to try

Would ya, would ya baby

(Would ya, would ya baby)

Would ya, would ya baby

(Would ya, would ya baby, yeah)

Would ya would ya baby, yeah

Would ya, would ya baby

Would ya, would ya baby
