

## You've Got a Friend

The Jackson 5

When you're down, and troubled.  
And you need some lovin care.  
And nothing, no nothing is going right.  
Just close your eyes and think of me.  
And soon i'll be there.  
To brighten up yeah even your darkest night.  
You just call out my name.  
And you know wherever i am.  
I'll come a running to see you again.  
Winter spring summer or fall.  
All you have to do is call.  
And i'll be there yes i'll be there.  
You got a friend.  
You got a friend.  
You got a friend.  
You've got a friend.  
When the sky above you.  
Grows dark and full of clouds.  
And that old wind, it begins to blow.  
Here's what you do baby.  
Keep your head together, together baby.  
And call my name out loud.  
And soon you'll hear me knockin, knockin at your door.  
You just call out my name.  
And you know.  
Wherever i am.  
I'll come a running to see you again.  
Winter spring summer or fall.  
All you have to do is call and i'll be there.  
Ain't it good to know that you got a friend.  
People can be so cold.  
They'll hurt you, yeah desert you.  
And take your song if you let him but don't let him.  
No don't let him winter spring summer or fall.  
All you have to do is call.  
I'll be there, yes i'll be there.  
You got a friend, yes you do.  
Ain't it good to know.  
You got a friend yes you do.  
Until the end.
