

# Different Kind Of Lady

The Jacksons

If you want me  
I'll be there in a flash  
If you need me  
Well that's different at last  
Say it-no delay  
Cause everything I do  
Is always up to you  
You got me saying'  
Woo woo woo woo woo woo woo

I'm here to please you  
In every way I can  
To prove to you  
That I'm your only man  
Trying, no denying  
Cause everything I do  
Is always up to you  
You got me sayin'  
Woo woo woo woo woo woo woo

[Chorus:]  
I searched this world  
For a different kind of girl  
I caught myself going girl shopping  
No matter what I do  
I keep running back to you  
Saying you're all mine  
Different kind of lady

The way I love you  
In case you'd like to know  
You're a lady  
And that's a different show  
You're meant for me  
That makes you different, you see  
Cause everything I do  
Is always up to you

Cause you're a different kind of lady  
Cause you're a different kind of lady  
Cause you're a different kind of lady

[Chorus]

If you want me  
I'll be there in a flash  
If you need me  
Well that's different at last

Cause you're a different kind of lady  
Cause you're a different kind of lady

[Repeat and fade out]
