

# Even Though You're Gone

The Jacksons

[Chorus:]

Gotta find a way somehow  
Nothing's gonna stop me now  
Gotta find a way somehow  
Even though you're gone

Things don't look as bad  
As they did yesterday  
Even minute I get  
Stronger somehow...some way  
Cause I gotta keep on living  
I got the will to survive  
Even though I feel so bad  
So bad inside

[Chorus]

All the plans I had  
I've got to give them up  
And start anew  
Making plans for one  
Instead of making plans for two  
From now on I'll be thinkin  
Thinking 'bout myself  
It'll be a long time  
Before I love somebody else

[Chorus]

I depended on you  
For everything  
Oh, I really trusted you  
How could you do me the  
Way you did  
You really let me down

[Chorus]
