

# Walk Right Now

The Jacksons

Here, when all my work is done, babe  
She calls and she says  
Dear, can I come  
I say to her  
That you know our love has gone  
But aggressive heart  
No, really not the one  
She comes to the door  
Crying at my feet  
Guilt shines in her eyes  
As she slowly sinks in deep

You know our love couldn't last forever  
Persuade your way  
But you ain't clever  
I close the door and I say never

(I don't care)  
What you're saying  
(Walk right now)  
I ain't playing  
(Love elsewhere)  
For you I'm praying  
(Don't look back)  
You ain't staying

Here, I'm crying  
I can't sleep  
I sigh  
'Cause I thought this would never be  
I say ooh  
I'm screaming out for someone  
And now she's knockin' on the door for me  
She just won't leave me alone  
She wants to speak with me  
And persuade me in her arms  
And now she's calling on the phone for me  
Oh, just won't leave me alone

Deep down inside she's trying to be clever  
To love once more then leave me forever  
I close the door and I say never

(I don't care)  
What you're saying  
(Walk right now)  
I ain't playing  
(Love elsewhere)  
For you I'm praying  
(Don't look back)  
You ain't staying

(I don't care)  
What you're saying  
(Walk right now)  
What you're doing to me  
(Love elsewhere)

What you're doing to me  
(Don't look back)  
Wooo!

I try so hard to cope with you  
I can't bear the things you put me through  
To love as friends  
No, I wish that we could see  
But persuasive heart  
Just won't let pure friendship be

You know our love couldn't last forever  
Persuade your way  
But you ain't clever  
I close the door and I say never

(I don't care)  
What you're saying  
(Walk right now)  
I ain't playing  
(Love elsewhere)  
For you I'm praying  
(Don't look back)  
You ain't staying

(I don't care)  
What you're saying  
(Walk right now)  
I ain't playing  
(Love elsewhere)  
For you I'm praying  
(Don't look back)  
What you're doing to me

(I don't care)  
What you're doing to me  
(Walk right now)  
What you're doing to me  
(Love elsewhere)  
What you're doing to me  
(Don't look back)  
Wooo!

No, babe

(I don't care)  
(Walk right now)  
(Love elsewhere)  
(Don't look back)  
(I don't care)  
(Walk right now)  
(Love elsewhere)  
(Don't look back)  
(I don't care)
