

## Move On Up

The Jam

Hush now child and don't you cry  
Your folks might understand you by and by  
Move on up towards your destination  
You may find from time to time  
Complications

Bight your lip and take a trip  
Though there may be wet road ahead  
You cannot slip  
So move on up and peace you will find  
Into the steeple of beautiful people  
Where there's only one kind

So hush now child and don't you cry  
Your folks might understand you by and by  
Just move on up and keep on wishing  
Remember your dreams are your only schemes  
So keep on pushing

Take nothing less - not even second best  
And do not obey - you must have your say  
You can past the test

Move on up!
