So you finally got what you wanted You've achieved your aim by making the walking lame And when you just can't get any higher You use your senses to suss out this week's climber And the small fame that you've acquired Has brought you into cult status But to me you're still a collector

There's tarts and whores but you're much more You're a different kind 'cause you want their minds And you just don't care 'cause you've got no pride It's just a face on your pillowcase That thrills you

And you started looking much older And your fashion sense is second rate like your perfume But to you in your little dream world You're still the queen of the butterfly collectors

As you carry on 'cause it's all you know
You can't light a fire
You can't cook or sew
You get from day to day by filling your head
But surely you must know the appeal between your legs
Has worn off

And I don't care about morals
'Cause the world's insane and we're all to blame anyway
And I don't feel any sorrow
Towards the kings and queens of the butterfly collectors
