TONIGHT AT NOON - Paul Weller Tonight at noon, tonight at noon When we meet in the midnight hour I will bring you night flowers (coloured) Like your eyes -Tonight at noon, I'll touch your hand Held for a moment amongst strangers Amongst the dripping trees - country girl Walking in city squares in winter rain -Walking down muddy lanes or empty streets -Arranging a time and place to meet Tonight at noon, you'll feel my warmth You'll feel my body inside you We'll be together for hours time and tears -Won't wait for evermore For the time is now -And now is the time to explore Why waste the world outside, when you're sure.
