

Wildflower

The JaneDear Girls

Mmm yeaahh yeaeaa yeaaa

I was born off an old dirt road 40 acre farm no highway no interstate
& I drive an old rusted out Chevrolet, the boys all rubber neck
while their out makin' hay.

Hey, I'm a wildflower, growin' in the sunshine, soakin' up the
way of life I was raised in,
runnin' barefoot bloomin' in a summer shower, ponytail dancin'
I can't help it. I-I'm a wildflower.

Oooo yeahh oooo yeahhh

Theres a little cotton dress hangin' in my sisters closet,
I think I'm gonna borrow it, and wear it this weekend.
Painted my toes, bought some cherry lip gloss.
No rose, No daisy, can touch what I got

Yeaah

I'm a wildflower, growin in the sunshine, soakin' up the way of

I'm just a girl that needs a little sun, a little rain, an open
field to play
