

## Big Star

The Jayhawks

I'm flat-busted  
Wild-eyed and free  
I couldn't get arrested if I tried  
A has-been at a mere thirty-five

Straight, honest, forthright and true  
Great expectations for someone  
Doesn't anybody know how to have fun  
But I'm

Gonna be a Big Star  
I'm gonna be a Big Star someday  
I'm gonna be a Big Star someday

Grape's bitter  
I'm no quitter  
Revolutions come one by one  
Seems it's high noon and I ain't got no gun

But it's so hard  
So hard  
So hard getting by

Fine bourbon, Cuban cigars  
Rude remarks observed at the C.C. Bar  
I'm perfecting the finest art of wasting hours  
But I'm

I'm gonna be a Big Star  
I'm gonna be a Big Star someday
