

Tomorrow The Green Grass

The Jayhawks

Hands are weary, eyes stay closed
Women like these, who break in

Chorus:

I wanna see you, tomorrow the green grass
Oh my love, who stands by you, when I call

Once had a good home
Won't fall back on
Don't you think kindness has an end

(chorus)

Ttgg * 3 yeah, yeah, yeah
Ttgg * 3 the green grass

Starry label, sign stay closed
Back in my pocket, it's all you hear

(chorus)

Ttgg * 3 yeah, yeah, yeah
Ttgg * 3 the green grass

Ttgg * 3 yeah, yeah, yeah
Ttgg * 3 yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah,
Yeah, yeah, yeah,
Yeah, yeah, yeah, yeah, yeah, yeah
