

Up Above My Head

The Jayhawks

Up above my head, Up above my head
I can hear music in the air, I hear music in the air
Up above my head, Up above my head
I can hear music in the air, I hear music in the air
Up above my head
I hear music in the air, oh Lord.
And I really do believe
I really do believe
There's a heaven somewhere
There's a heaven somewhere

Up above my head, Up above my head
I can hear thunder in the night, I hear thunder in the night
Up above my head, Up above my head
I can hear thunder in the night, I hear thunder in the night
Up above my head
I hear thunder in the night, oh Lord.
And I really do believe
I really do believe
There's a heaven somewhere
There's a heaven somewhere

And I really do believe
I really do believe
There is a heaven somewhere
There is a heaven somewhere
