

# Bulletproof

The Jeff Healey Band

She plays rough  
She ain't ready  
There ain't a thing,  
In this world to prove

She's got a needle and a powder people,  
To keep her steady  
Life's gonna teach her a thing or two  
Talk is cheap  
So listen up  
You're in too deep  
Enough is enough

Bulletproof  
It's bad news  
You give up  
Like it's nothing to lose  
Bulletproof  
It's no use  
You better face the truth  
You ain't bulletproof

In my mind  
She's still smokin'  
Life's too painful  
She gets straight  
No lie  
I ain't jokin'  
It's gonna hit you like a hurricane

Talk is cheap  
It can't be worse  
Keep it up  
You're gonna leave in a hearse

Bulletproof  
It's bad news  
You give up  
Like it's nothing to lose  
Bulletproof  
It's no use  
You better face the truth  
You ain't bulletproof

Look at the people  
There's so much lust  
You got everything  
But still it's a bust

I see the sun  
You see the rain  
I see the hope  
And you see the pain

Bulletproof  
It's bad news  
You give up

Like it's nothing to lose  
Bulletproof  
It's no use  
You better face the truth  
You ain't bulletproof
