```
Let me take you, baby, down to the river bed Got to tell you somethin', go right to your head I, I got a line, I got a line on you, babe I, I got a line, I got a line on you, babe
```

Gotta put your arms around me with every bit of your love If you know what to do, I'll make love to you We got the right line to make it through these times

```
I, I got a line, I got a line on you, babe I, I got a line, I got a line on you, babe
```

```
I, I got a line, I got a line on you, babe I, I got a line, I got a line on you, babe
```

Now listen, our winter's almost over This summer, she's comin' on strong I can love you, love you, love you Love you all year long

I, I got a line, I got a line on you, babe I, I got a line, I got a line on you, babe I, I got a line, I got a line on you, babe I, I got a line, I got a line on you, babe I, I got a line, I got a line on you, babe

I, I got a line, I got a line on you, babe
