

I Think I Love You Too Much

The Jeff Healey Band

I'm not alone
You're sitting right there
How come I get the feeling
You could vanish into the air
And I love you more than anybody else, baby
Can't you tell I'm an easy touch
Oh, baby, baby
I think I love you too much

If I picked you up
You know you'd slip right away
And if I locked you up
You'd find a way to make me pay
You're gonna hurt me more than anybody else
'Cause you know I'm an easy touch
Oh, baby, baby
I think I love you too much

I guess I'm gonna get you what you want
'Cause I'm so in to you
You don't even give an inch to me, baby
Though I've been giving you a mile or two

Yeah, yeah, yeah, I'm not alone, no
You're sitting right there
How come I get the feeling
That you can vanish into the air?
And I love you more than anybody else, baby
Can't you tell I'm an easy touch
Oh, baby, baby
I think I love you too much
Mmm, baby, baby
I think I love you too much
I said, baby, baby
I think I love you too much, yeah
