

# I Tried

The Jeff Healey Band

Maybe I could have loved you better  
Maybe we only needed time  
We couldn't make it last forever  
But I tried  
I tried

Maybe I gave my heart too easy  
Maybe your heart was never mine  
I did my best to make you happy  
Yes I tried  
You know I tried

Who knows where the love goes  
When the loves gone  
You just hold on  
And you hold it all inside, yeah

I tried to give you love  
It was not enough  
It was not enough to keep you satisfied

Maybe I couldn't make you love me  
But I tried  
You know I tried

I tried to just give you love  
It was not enough  
It was not enough to keep you satisfied  
I couldn't keep you in my life

And so I'll have to let you go now  
Guess now I got to say good-bye  
I'll learn to live my life without you  
I don't know how  
But I'll try  
Yes I'll try

Oh guess we couldn't make it baby  
After all this time we just couldn't get it right  
But I tried  
Yes I tried
