

# Macon Georgia Blue

The Jeff Healey Band

First you laugh then you cry  
When you think of all the miles gone by  
The one you loved, and the loved you lost  
And late at night alone you count up the cost

I'm chasing something I thought was real  
But it ain't even close to have she make me feel  
I don't care anymore if my dreams come true  
I may be bound for glory, but I'm macon georgia blues

A hotel room, a neon sign,  
The sound of a voice on the telephone line  
You come so far, but you cant run  
From the sound of your heart as it comes undone

I'm chasing something I thought was real  
But in ain't even close to have she makes me feel  
I don't care anymore if my dreams come true  
I maybe bound for glory, but I'm macon georgia blue

This damn old freeway it ain't go nowhere  
Its tear in my heart between hear and there

You come so far, oh but you cant run  
From the sound of your heart as it comes undone

Oh and I'm chasin' something I thought was real  
But it ain't even close to how she makes me feel  
I don't care anymore if my dreams come true

I maybe bound for glory, yes its the same all story oh ho  
I maybe bound for glory, but I'm macon georgia blue
