

Come Alive

The Jelly Jam

I know you are beautiful in the snow
and I am good when we're together wherever we go
and I know I complain too much when I'm cold
it's just that the bitterness starts to make me feel old
that's why I come alive in the summertime in the sunshine
I come alive in the summertime
I accept there are beautiful things in all seasons
and I don't have to make up excuses or reasons
'cause I am good with everything we have it's all wonderful
and I am feeling taller every day that the sun has started to g
low
you know I come alive in the summertime in the sunshine
I come alive in the summertime
