

## Coming Round

The Jelly Jam

You fly in I die and you call to me  
Southbound and I'm down and lost  
In the sea but

I'm coming round  
I'm free as a bird  
I'm coming down  
I'm free as a bird shot down

Over the big rainbow behind the shed  
I'll find the lost secret before I'm dead  
Yeah

I'm coming round  
I'm free as a bird yeah  
I'm coming down  
I'm free as a bird shot down

Over the big rainbow now I can see  
Southbound is my town  
And it looks just like me
