

# I Am The King

The Jelly Jam

Sleep come to me  
Take me where I want to be  
And let me stay  
Everything is far away

And for a moment it's serene  
And for a moment I control it  
And I rule myself  
'Cause I am the king (of nothing)  
I am the king

And dream away everything  
That makes me pay  
Safe from the world  
Of broken love and boy and girl

'Cause no one else is coming after
