

## Questions

The Jelly Jam

fell asleep on a sleepless night  
steady breathing filled with colored light  
uneasy question, neither wrong or right  
it often works that way  
black and white lost in the color gray  
it often works that way  
the many reasons fill me up with many more  
questions  
questions  
the winter comes, spring is next  
summer comes, why do we seem perplexed  
we want so much for something else to be next  
it often works that way  
black and white found in the color gray  
it often works that way  
the many reasons fill me up with many more
