

# All Things Pass

The Jesus and Mary Chain

Each day I wake  
It's gonna be my last  
I hope it's gonna pass  
I hope it won't last  
Each drug I take  
It's gonna be my last  
I hope I don't fry  
I hope I don't die

I have taken a vow  
I have taken a vow  
To prove myself  
To find me  
I'm regrettin' it now  
I'm regrettin' it now  
'Cause I found me

Hey, get out of the way  
All things must pass  
But not too fast

Each day I wake  
It's gonna be my last  
I hope it's gonna pass  
I hope it won't last  
Each girl I touch  
She's gonna be my last  
I hope she didn't lie  
I hope I don't die

I have taken a vow  
I have taken a vow  
To prove myself  
To find me  
I'm regrettin' it now  
I'm regrettin' it now  
'Cause I found me

Hey, look out, here it comes  
All things must pass  
But not too fast

Hey, look out, here it comes  
All things must pass  
But not too fast

I have taken a vow  
I have taken a vow  
To prove myself  
To find me  
I'm regrettin' it now  
I'm regrettin' it now  
'Cause I found me

Hey, look out, here it comes  
All things must pass  
But not too fast

Hey, look out, here it comes  
All things must pass  
We're first and last
