## The Jesus and Mary Chain

Elvis lives and Bob Dylan is dead And OJ's wife's crawling back from the dead Love is great Oh yeah love is good And my bed friend thinks that love is food

God is great
Oh yeah God is good
And my friend Ben thinks that beer is food

He's alright
Oh yeah he's okay
He can't stand the pain
Stand the pain

Don't you know I can be seen And life is much too tough Don't you know I can be seen And I ain't tough enough

Elvis lives and Bob Dylan is dead And OJ's wife's crawling back from the dead Love is great Oh yeah love is good And my bed friend thinks that love is food

God is great
Oh yeah God is good
And my friend Ben thinks that beer is food

He's alright
Oh yeah he's okay
He can't stand the pain
Can't stand the pain

Don't you know I can be seen And life is much too tough Don't you know I can be seen And I ain't tough enough

Why can't you see I belong to me

Why can't you know I don't wanna go I don't wanna go I don't wanna go

If you don't know yourself If you don't know yourself It's bad for your health
