

I Hate Rock 'n' Roll

The Jesus and Mary Chain

I love rock 'n' roll
And all these people with nowhere to go
I love rock 'n' roll
All these people with nothing to show

I love the BBC
I love it when they're pissing on me
And I love MTV
I love it when they're shitting on me

I hate rock 'n' roll
And all these people with nothing to show
I hate rock 'n' roll
I hate it 'cause it fucks with my soul

Rock 'n' roll hates me
Rock 'n' roll hates me
Rock 'n' roll hates me
I hate you, rock 'n' roll
I hate (rock 'n' roll hates me)
I hate (rock 'n' roll hates me)
I hate (rock 'n' roll hates me)
I hate (rock 'n' roll hates me)
