

## It's So Hard

### The Jesus and Mary Chain

It's so hard  
To get love  
Jump and push and shove  
To get the hand in glove  
So it seems  
That things are in your dreams  
So it's said  
Things get done in bed

It's so hard  
To walk tall  
To be unlike like a doll  
To walk and not to crawl  
So it's said  
All our life is dead  
So it seems  
All our life is dreams

A poem in the head  
Of a poet that's dead

Walk walk walk walk  
Walk/up/up/walk

Oh it's god to me  
Oh it's god to me  
Oh it's god to me

And it's

Be in black, be in black, be in, be in black
