

## Kill Surf City

### The Jesus and Mary Chain

I love baby and she loves me  
I lost my baby in the deep blue sea  
I'm gonna turn my trick  
Gonna blow your head  
Til I'm almost dead

I'm gonna kill surf city with a loaded gun  
Got to surf city like a nuclear bomb  
I'm gonna fight surf city, got to get it down  
I'm gonna kill kill get it down  
I got to get, get, surf city

I hate honey and she hates me  
But that's the way it's supposed to be  
I'm gonna run, gonna run till I hit the sun  
Some evil cunt's gonna get my gun

I'm gonna kill surf city, got to get me a gun  
Got to fry surf city with a nuclear bomb  
Got to get them all day

I'm gonna  
surf city

Here she comes now  
Down to the back where the came from  
I've gotta sit that mother down  
Somebody knows me and I know them  
Fuck fuck
