The Jesus and Mary Chain

Meeow
Meeow
Meeow
Meeow

Alive, alive, alive

I'm alive
I'm alive
I'm alive alive alive alive

Baby I'm in heaven
But I don't believe a word
No I don't believe a word
Going down

I'm on five
I'm on five
I'm on five
Alive alive alive

Maybe I got lucky
But I always stood the chance
Yeah I always stood the chance of the prize

(aww hehe but there's no more music, come on)
