

My confounded partner says
Meow meow meow beep beep
I'm woke up to start some shit
In they cloak room
Next time you kids run
Through my yard
Go around
Next time you kids run
Through my yard
Go around
My confounded partner says
Meow meow meow beep beep
All they cloaks hang side by each
In they cloak room
Next time you kids run
Through my yard
Go around
Next time you kids run
Through my yard
Go around
I'm gonna call your mother
And your father in there
I'm gonna break your arms
And break both your legs
I'm gonna cut little gill slits
In the side of your neck
And blow in them with a straw
My confounded partner she says
My confounded partner she says
My confounded partner she says
Meow meow meow
Meow meow meow
Meow beep beep
