Hey shitmouth I love you Hey shitmouth I love you A number of years Have passed between our Legs Taste your buttery muffin Hey shitmouth! I've never known anyone who bent so much to me I've never known anyone who bent so much to me I never When you smile I can smell your breath I see the shit On your teeth man, I'd love to catch ya If you had lips I'd kiss ya I pray the Lord to curse ya hey shitmouth I love you Will you bury me? Ancient man - he needed Ancient man - he had it Man, I'd love to catch ya If you had lips I'd kiss ya Pray the Lord to curse ya Now we two lay together Will ya bury me? Will ya bury me? Will ya bury me?
