

Monkey Trick

The Jesus Lizard

He's gone in her lips, a glow from her lip ignites the shapes s
he sees, in the shade
Only a little is used to come to a close, only a little is used
to come to a close
Tonight at the knife stick up place, I spoke as a child and cho
ked on that line
(Then I saw them), then I saw them, (then I saw them), then I s
aw them

What are they doing outside, what are they doing
What the hell are they doing outside, what are they doing
In so much brown and crap it's set in an odd light
This one it stops right here now, I think it's trouble you invi
te

In so much as they don't know what's right
This one it stops right here now, I think it's trouble that you
invite
An absurd gag, a monkey trick, an Irish Bull, a childish joke
Ow, ow, ow, ow, ow, ow, ow, ow, ow, ow, ow, ow, ow, ow, ow

Tonight at the knife stick up place, I spoke as a child and cho
ked on that line
Then I saw the, then I saw them, then I saw them, then I saw th
em
I know they have them down there, I've seen them down there
Body parts all over thistown, what are they doing
