

## Rodeo In Joliet

The Jesus Lizard

There is no rodeo in Joliet  
No great waterhole in Downer's Grove  
The old windbag blows, the old windbag blows

Here the sky and the ground, here the sky and the dirt  
Share the same grey, grey  
No fun in the sun, no fun in the sun, where fish float  
The old windbag blows, the old windbag blows, the old windbag b  
lows, the old windbag blows
