

# Stamina

## The Jezabels

He could have anything  
Darling, what would it be  
Let me tell you it's a small world

But I've got to find belief  
That people connect in dreams  
Let me tell you it's a small world  
But I'm thinking big

Couldn't we perfect be  
Happy white family  
Let me tell you it's a small world

Maybe I am to speak  
There's nothing protecting me  
Let me tell you there ain't nothing between me  
If you're thinking big

Oh, nothing between me  
Nothing and me

Except one thing  
One thing  
One thing

And it ain't love  
Cause love hurts  
And it ain't a home  
Cause home's burn

It ain't a man  
Cause a man can tell  
Getting home  
Or that can help I suppose  
No it ain't none of those things

(Stamina, stamina, stamina, stamina, stamina)

(Stamina, stamina, stamina, stamina, stamina)

Walk on home  
Walk on home  
Walk on home  
You can't leave alone  
You can't leave alone

Walk on home  
You can't leave alone  
You can't leave alone

You're going to waste my time  
To pick at, to pick at you  
Going to waste my time  
To pick at you

Walk on home  
Walk on home

(Baby don't, baby don't, baby don't,  
baby don't, baby don't, baby don't, baby don't)  
Lose control

(Baby don't, baby don't, baby don't,  
baby don't, baby don't, baby don't, baby don't)  
Lose control

We're going to hold on for you  
For you  
Have it all for you  
Have it all for you

Wrap it up  
Wrap it up  
Wrap it up  
Wrap it up  
Wrap it up  
Wrap it up  
Wrap it up  
Wrap it up  
Wrap it up  
Wrap it up  
Lose control
