

Spring to Come

The John Butler Trio

Lost my love, lost my light
I can't find them anymore
If there's something I could give
I would have given it before now...because...
I came back a little broken
Things don't fit anymore

And I wait for spring to come
But how long, tell me how long
'Cause I wither at my post
I'm walking like a ghost, alone
How long tell me how long, how long

Somewhere out there on the horizon

Maybe there's a glimmer of hope
Maybe it's just a mirage
'Cause you never know
And maybe things have changed
Storm clouds pass take their rains

And I wait for spring to come
But how long, tell me how long
'Cause I wither at my post
I'm walking like a ghost, alone
How long tell me how long, how long

Out of the darkness, only light can come
After a lonely long night comes the sun (4x)
