Bye Bye Baby Blues

[Chorus] Oooh - I'm missin' you I've got those bye-bye, bye-bye baby blues Oooh- Ain't much to do Just sing those bye-bye, bye-bye baby blues

Havin' the blues, hatin' to loose Guess I got a lot to learn All of my friends have lost now and then I guess it's just my turn

[Repeat Chorus]

Tell me the first, hurt you the worst And time is your best friend But when you're this sad and hurtin' this bad How do you love again?

[Repeat Chorus]

Bye-bye, bye-bye baby blues
