I Know Where I'm Going

I know where I'm goin' Don't you wanna come too? I got my reservations And I got one for you The train's leavin' just after dark There's always room for a lovin' heart I know where I'm goin' Don't you wanna come too?

I know my destination It's a' waitng for me I got no hesitation That's where I want to be And by the time that the sun comes up I'll be drinkin' from a lovin' cup I know where I'm goin' Don't you wanna come too?

[Chorus] Don't you wanna come? Don't you wanna ride? Don't you wanna be there by my side? Hand in hand holding on to A sweet salvation that is waiting for me and you

I know why I'm singin' Don't you wanna sing too? Can't you hear the bells a ringin'? Let the spirit move you

Just close your eyes and let it flow Lean your head back, let it go I know where I'm goin' Don't you wanna come too?

[Repeat chorus]

I know where I'm goin' Don't you wanna come too? I got my reservations And I got you for you I know why I'm singin' Don't you wanna sing too? Can't you hear the bells a ringin'? Let the spirit move you Spirit move you, yeah

I know where I'm goin' Don't you wanna come too? I know where I'm goin' Don't you wanna come too? The Judds
