

One Hundred And Two

The Judds

There's one hundred and one
Little reasons why
I should leave you here
Say goodbye
But I just can't seem
To say we're through
And the reasons why
Are one hundred and two

One hundred and one
Little tears fall
And every drop
Makes me feel so small
But as hard as I try
I can't leave you
And the reasons why, baby,
Are one hundred and two

I'm countin' up
The times I've cried
The times you'd leave
The times you lied
And everyday
I'm keeping score
When it all adds up
I need you more

One hundred and one
Lonely nights
You leave me here
Now, honey, that ain't right
But, still I forgive
Everything you do
And the reasons why
Are one hundred and two

Yeah, the reasons why baby
Are one hundred and two

There's one hundred and one
Little reasons why
But, one hundred and two
Keeps me by your side
