

# Rockin' With The Rhythm Of The Rain

The Judds

Sittin on the porch swing  
listen to the light rain  
beatin on the tin roof  
Baby just me and you  
Rockin with the rhythm of the rain

Slide on over  
baby hold me closer  
movin to and fro  
Just swayin like a slow freight train  
Rockin with the rhythm of the rain

So let the breeze keep blowin  
(rockin with the rhythm of the rain THATS A FALLIN)  
(night birds a signin the cricket a callin)  
Oh my heart will never be the same  
Keep the sweet feelin flowin  
(whisper in my ear baby)  
(oh feels so fine)  
(nights like this come once in a lifetime)  
me and my baby rockin with the rhythm of the rain

Oh baby hold me tight say  
Say you love me  
Thats all I wanna hear tonight

Sittin on the porch swing  
listin to the light rain  
Beatin on the tin roof  
Baby just me and you  
Rockin with the rhythm of the rain

Slide on over  
Baby hold me closer  
movin to and fro  
Just swayin like a slow freight train  
Rockin with the rhythm of the rain

[repeat chorus]

Me and my baby rockin with the rhythm of the rain
