

# Sleeping Heart

The Judds

When I awoke, there you stood beside me  
I wonder now, were you there all the time?  
Like a rose beneath the snow I have been waiting  
And it took your kiss to make me come alive

[Chorus]

Sleeping heart, love is all around you  
Empty arms, what are you waiting for?  
Rub your eyes, your handsome prince has found you  
Sleeping heart, sleep no more

You don't have to tell me where you come from  
I loved you in my dreams a long, long time  
In my slumber, I kept seeing someone  
And I recognized you when your lips touched mine

[Repeat Chorus]

Rub your eyes, your handsome prince has found you  
Sleeping heart, sleep no more
