Water Of Love

The Judds

High and dry in the long hot day
Lost and lonely in every way
Got the flats all around me, sky up above
Yes, I need a little water of love

I've been too long lonely and my heart feels pain Cryin' out for some soothing rain I believe I've taken enough Yes, I need a little water of love

Water of love, deep in the ground But there ain't no water here to be found Someday, baby, when the river runs free It'll carry that water of love to me

Once I had a man I could call my own
Once I had a man, now my man is gone
Once there was a river, now there's a stone
You know it's evil when you're living alone

Water of love, deep in the ground But there ain't no water here to be found Someday, baby, when the river runs free It'll carry that water of love to me
