

Who Is This Babe

The Judds

Who is this baby
Where did he come from
He's the son of a carpenter
The chosen one
He's the hope of the angels
A gift of his love
Just a child in a manger
Gods only son

Hallelujah, hallelujah
Hallelujah, hallelujah

Shepards were watching
Out under the sky
When the star over Bethlehem
Lit up the night
He's the light in the darkness
A gift from above
He is held with the spirit
Of Gods holy love

Hallelujah, hallelujah
Hallelujah, hallelujah

Angels sing
Worship our king
