We Make The Road By Walking

The Juliana Theory

Don't hold back. You gotta' believe. You got it. You got it. You need it.
Don't be afraid of anything. You got it. You got it. Believe it.
Come on now. Don't say, "Maybe." Hold your breath. You got it. You need it.
Hold on tight now for the ride of your life. You gotta' believe it.
Words hurt. Truth heals. Sometimes both kill.

We can wish that everything was easy, counting all the ways that life's not fair.
Or say, "I'm not going down that easy. I'm not gonna' fall cause you're not here."

Don't lose touch. You gotta' believe. You got it. You got it. You need it.
Don't forget the way it feels. You got it. You got it. Believe it.
Come on now. Don't say, "Sorry." Hold your ground. You got it. You need it.
Hold your head up for the time of your life. You gotta' believe it.
Words hurt. Truth heals. Sometimes both kill.

We can wish that everything was easy, counting all the ways that life's not fair.
Or say, "I'm not going down that easy. I'm not gonna' fall cause you're not here."
(Don't look back and don't be afraid. You got it. You got it. You need it).

We have seen it all. We've been through it all together.
We've been through the fire, and you gain your strength from me.
We have seen it fall. We painted the town red together.
We're still standing tall as I gain my strength from you.

There's beauty everywhere. There's beauty everywhere.

We can wish that everything was easy, counting all the ways that life's not fair.
(Don't look back and don't be afraid. You got it. You got it. You need it).
Or say, "I'm not going down that easy. I'm not gonna' fall cause you're not here."
(Don't look back and don't be afraid. You got it. You got it. You need it).

We can wish that everything was easy, counting all the ways that life's not fair.
(Don't look back and don't be afraid. You got it. You got it. You need it).
Say, "I'm not going down that easy. I'm not gonna' fall cause you're not here."
(Don't look back and don't be afraid. You got it. You got it. You need it).
